Summary of Email Thread: Week A Module 4

1. Muqtasid Qureshi (March 12, 2025, 4:47 PM)

- Created the GitHub repository and Google Docs for the project.
- Reminded the group that the module is due next Wednesday night.

2. Savi Alwis (March 16, 2025, 12:18 PM)

- Mentioned being out of town and unable to work on the project during that time.
- Confirmed returning and ready to begin contributing.
- Plans to start a new thread for Week B discussions.

3. Moses Kipkemboi (March 16, 2025, 9:36 PM)

- Stated that he will check the progress and add his inputs the next day.

✅ Next Steps:

- Savi will initiate a Week B thread for further discussions.
- Moses plans to review and contribute soon.
- Muqtasid has set up the necessary platforms (GitHub and Google Docs) for collaboration.
